Tendering Fundamentals

Winning tenders is critical to the development and life of your business.

Without **winning the tender**, your business has spent time and money without the reward, it deserves.

The preparation of tender documents requires attention to detail, a keen eye for reading between the lines and addressing the key client requirements. This course is designed to teach you how to write a tender and how to ensure that your response to the opportunity is strategically written in order to maximise your chances of winning.

Course content and activities include:

- ❖ Understanding the tender process
- ❖ Preparing to tender
- ❖ Bid planning
- ❖ Bid management
- ❖ Tender strategy
- ❖ Preparing your tender response
- ❖ Independent peer review
